Dal 1999, incoraggiamo lo sviluppo della manualità, l'esplorazione e la scoperta, attraverso giochi educativi e divertenti, essendo pionieri ma anche leader rispettati nell'industria del giocattolo. Con oltre 300 prodotti da noi ideati e sviluppati in questi anni, ad oggi offriamo una vasta gamma di giocattoli, adatti ad ogni fascia di età con un unico obiettivo: attuare una vera rivoluzione nel mercato, caratterizzata da un approccio didattico ed intuitivo.

Come creatori di Supermag, l'originale gioco magnetico di costruzioni, abbiamo da sempre concentrato la nostra attenzione alla realizzazione di prodotti sicuri e di altissima qualità, che supportino i bambini di ogni età nello sviluppo del loro desiderio di creare, costruire e imparare giocando.

Abbiamo investito fortemente nella ricerca, nella tecnologia e nel controllo per assicurare che i nostri processi di produzione mantengano sempre i più alti livelli di qualità per ogni giocattolo che produciamo. La nostra garanzia di sicurezza è confermata in ogni scatola che parte dal nostro magazzino in Italia. Nonostante le nostre linee siano in continua espansione, non perdiamo mai di vista la nostra mission aziendale: creare giocattoli sicuri che accompagnino il bambino durante la sua crescita.

Since 1999, we've been encouraging hands-on play, exploration and discovery with fun educational toys, being both a pioneer and a respected leader in the toy industry. With over 300 products designed and manufactured, we have something for everyone and we continuously develop new toys that take educational play to new levels.

As the creator of Supermag, the original magnetic construction toy, we have always been focused on providing only the highest quality, safest products that help children of all ages develop their desire to create, build, learn and play.

We have invested heavily in research, technology and auditing to ensure our manufacturing processes maintain the highest level of quality for each toy we produce. Our safety guarantee is confirmed on every toy that leaves our factory floor in Italy. While we continue to expand our product lines, we will not lose sight of our dedication to provide you with toys that you can trust and bring into your home.
